In order to be considered for admission at one of our facilities you will need to compile:

- 1) The enclosed Referral forms
- 2) The enclosed Medical report completed by applicant's Primary Care Physician.
- 3) Two forms are required for any person to be evaluated for admittance into a New York State Skilled Nursing Facility-
A New York State Patient Review Instrument (PRI) - assures the facility is able to meet the individual's health care needs.

A New York State Screen- assures the facility is able to meet the individual's psychosocial needs.

These forms must be completed by nurses who have received specific training. If applicant currently receives home care services that agency can complete these forms, or you can call 585-368-6342 to make arrangements to have these forms completed by Rochester Regional Health System. If the applicant resides currently in a Skilled Nursing Facility please ask your social worker to fax the PRI and Screen to the desired office below.
