

COVID-19

ROCHESTER
REGIONAL -EALT-

PERSONAL PROTECTION EQUIPMENT (PPE)

How to keep your mask clean:

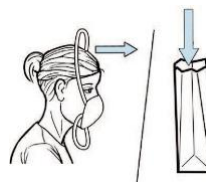

Use hand hygiene
before donning and
doffing the mask

Only handle a
mask by the ties
or loops

Store it properly

Wear your
face shield

Using a face shield will help extend
the life of your mask.

Guidelines for when to discard your mask:

Discard the surgical mask or respirator if:

Contaminated
hands have
touched inside

Wet, soiled,
or damaged

Appropriate
fit is not
maintained
