

## Masking and Meetings at the Workplace

- **All staff**, regardless of vaccination status, **are still required to mask in all RRH facilities** (except while alone in a private office or while eating and remaining socially distanced).
- **In person meetings are permissible provided the protocols below are in place.**
- In addition to in-person meetings, for everyone’s comfort and convenience, **remote or virtual** options should continue to be offered.

	<b>Meetings at Healthcare Facilities</b>	<b>Meetings at Non-healthcare Facilities</b>	<b>RRH-affiliated events outside of RRH property (i.e. Department holiday parties)</b>
Example of Location	Hospitals, ambulatory practices, long term care facilities etc.	Administrative campuses: Riedman, Monroe Avenue etc.	Event venues
Masking	All Staff: Required to mask when in all areas except while alone in a private office.  Patients/guests: Masking required at all times.	All Staff: Required to mask when in all areas except while alone in a private office.  Patients/visitors: Masking required at all times.	Participants are advised to mask in indoor spaces. Individuals at high risk for infection should carefully consider the decision to attend indoor social gatherings.
Social Distancing	Maintain as possible.	Maintain as possible.	Please remember that social distancing reduces risk of exposure.
Food and Drink	Discouraged at gatherings; maintain social distancing especially when unmasked.	Discouraged at gatherings; maintain social distancing especially when unmasked.	Discouraged; maintain social distancing especially when unmasked.
Vaccination Status	Vaccine mandate enforced; staff with approved exemptions must remain compliant with testing.  Patients/visitors: no requirement.	Vaccine mandate enforced; staff with approved exemptions must remain compliant with testing.  Patients/visitors: no requirement.	Proof of vaccination or recent negative PCR test is encouraged for anyone attending.
