

Pre-Op COVID-19 Testing: Patient Instructions

- You are **required** to have COVID-19 testing **3-5 days** before your scheduled surgery or procedure
 - Please get tested on time to avoid having your surgery or procedure delayed or cancelled
- Choose a Patient Service Center conveniently located close to your home or work
 - Plan 30-45 minutes for your visit
 - Locations identified as "dedicated pre-op testing site" may have shorter wait times
 - All of your pre-op testing can be done in one visit (COVID-19 test, blood work etc.)
- Your health and safety are always our highest priorities. To help with social distancing, our staff may ask you to wait in your car or come back at a later time.
- When you present to the Patient Service Center please bring the following:
 - Photo ID
 - Name of your surgeon
 - Date of surgery or procedure
