## NEURO REHABILITATION AT RIDGEWAY

### YOUR RECOVERY

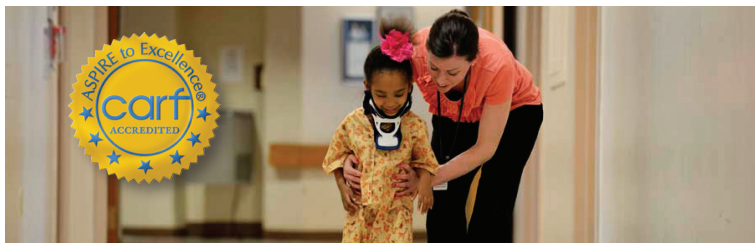

The road to recovery can seem long and onerous after a life-altering diagnosis or event, but here at Neuro Rehabilitation at Ridgeway we're with you every step of the way. Our highly trained therapists support you by offering comprehensive rehabilitative services, including:

- Physical Therapy
- Occupational Therapy
- Speech/Language Therapy
- Neuropsychology
- Rehabilitation Coordination

### OUR COMMITMENT

You'll find compassionate experts and state-of-the-art equipment all in one place – and all focused on you. Our therapists have specialized certifications and training so they can develop a therapy plan that is personalized to help you meet your recovery goals. If you require more than one kind of therapy, our rehabilitation coordinator will coordinate your care for a seamless transition from one therapy to another.

At Neuro Rehabilitation at Ridgeway, we are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for Comprehensive Integrated Outpatient Rehabilitation, Brain Injury and Stroke, and *we're the only program in Central and Western New York* that is CARF-accredited for Brain Injury and Stroke that serves children, adolescents and adults.

Our therapists treat a variety of conditions including:

- Stroke
- Pediatric Stroke
- Brain Injury
- Pediatric Brain Injury
- Concussion
- Vertigo/Dizziness
- Parkinson's Disease (PD)
- Spinal Cord Injury (SCI)
- Multiple Sclerosis (MS)
- Limb Loss
- Gait/Balance Issues
- Speech Disorders/Aphasia
- Swallowing Disorders/Dysphagia
- Cognitive Impairments
- Other Neurological Conditions

We also provide pre-driving screening evaluations.
