Campus Security and Crime Statistic Report

Choosing a postsecondary institution is a major decision for students and their families. Along with academic, financial and geographic considerations, the issue of campus safety is a vital concern. In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institution participating in HEA's Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of Jeanne Clery, a student who was slain in her dorm room in 1986. It is generally referred to as the Clery Act.

The 2021 Campus Security Policy and Crime Statistics Report is prepared to inform you of Rochester General College of Health Careers, Isabella Graham Hart School of Nursing at the Rochester Regional Health Wegmans Learning Center campus crime statistics, security policies and steps that you can take to enhance your personal safety.
