

Campus Safety Act

I. Rochester Regional Health is charged with the responsibility of protecting and keeping safe all of the students and employees of the Isabella Graham Hart School of Practical Nursing.

II. To insure compliance with the Campus Security Regulations, the following procedures are established:

A. All students will receive identification badges at the beginning of the school year which will be worn **above the waist at all times** when on campus and in Clinical. ID badges will be returned at the end of the enrollment period. If an ID badge is lost or stolen the student is required to have the ID replaced at their own expense.

B. The Portland Avenue Learning Center is locked at all times and swipe card access is required for entry. Faculty members have keys to the classrooms and labs. Students may only be on campus during school hours or with special permission from faculty.

C. If you witness a crime or have an emergency while on campus, **please call 911**. After notifying 911, please make a follow up call to the Safety and Security Department at 585-922-4300. The Rochester Regional Health Safety and Security department oversees the Portland Avenue Learning Center and will be notified of any security incidents that occur on campus. The Security Management Program is enforced by the Safety and Security Department at RGH, and coordinated through the Program Administrator of IGH.

D. Students and staff review school policies annually concerning law enforcement procedures, fire safety, drug free environment, sexual harassment and no smoking policy.
